## Judge: Martyn Slade, Martyn Dobermann Stud

I have been an active member of New Zealand Kennel Club since 1970 and passionately involved in the exhibiting and breeding of Dobermanns since then.

I am now the longest member still showing and breeding Dobermanns in New Zealand.

I have held my Specialist breed judging licence and Open show licence since 1988, having had the pleasure of judging and attending Dobermann show's in many parts of the world and over these years have judged many Specialty and All breeds open shows.

Both Lisa my wife and Cassidy my daughter have bred in excess of 100 Dobermann champions and out of this we have thirteen Grand champions and three Supreme champions, one USA Champ, one Japanese Champion, one Indian Champion and twenty one Australian Champions.

## Butch Profile

Ian and Lorraine produced their first dog roll in Ruawai, New Zealand. A butcher by trade, Ian had recognised the growing problem of hydatids through feeding uncooked meat to dogs. He created the dog roll as a safer and healthier alternative.

Ian travelled to Auckland on Friday's where he sold his product to farmers, butchers and small markets. By 1964 they were producing 300 dog rolls per week. One Friday, when returning from Auckland, Ian was horrified to find his factory engulfed in flames. All of the equipment and stock was destroyed, the factory burnt to the ground. They had no insurance. Soon after, Ian and Lorraine moved to Auckland with their three children where they re-built their lives.

## Butch Today

Today Butch produces over 100,000 dog and cat rolls per week, is the market leader in New Zealand and has one of the most efficient and innovative pet roll manufacturing plants in the world. Butch, the oldest, most established pet roll company in the country is still solely owned by Ian and Lorraine.

All Butch products are made from fresh ingredients including beef, lamb, chicken, fish, eggs and cereals, which are scientifically blended with a range of vitamins and minerals for a perfectly balanced, complete diet for your dog or cat.

Our selection of fresh beef, lamb and chicken is collected from MAF licensed establishments daily and is processed within hours.

Our plant is licensed by MAF, whose officers' frequent visits ensure all preparation, cooking, processing, packaging and procedures meet their exacting requirements. Butch Pet Foods (PF5) is the oldest registered pet food company still in operation today.

Butch products are exported around the world and can be found in the pet food chiller of farm supply stores and all New Zealand supermarkets.

In Wellington we are lucky to have an After Hours Veterinary Clinic that provides for emergency and urgent care for your pet anytime our clinics are closed.

The Wellington After Hours Veterinary Clinic has vets on site and has full medical and surgical capacity with surgery, x-ray, lab and hospital care facilities.

If you think your pet needs help or assistance please phone their number; 473 7545, first to make an appointment to be seen.

The Wellington After Hours Veterinary Clinic is at the base of the Ngauranga gorge.

When travelling from Porirua or Tawa towards Wellington city along the motorway drive down Ngauranga gorge, keeping in the left hand lane. Take the Hutt off-ramp and drive straight ahead to the intersection with the traffic signals. Move to the right hand lane which is for turning right into the Jarden Mile. On the Jarden Mile take the first right (about 50 metres from the intersection) into McCormack Place. The After Hours Vet Clinic is 50 metres on the left. There is a red illuminated sign indicating the driveway.

All fees must be paid at the time. The Wellington After Hours Veterinary Clinic is a separate business from Rappaw Veterinary Care.

A story about one of our members and our guest Judge from Melbourne, Australia, Mrs. Helen Hill.

I was living in Darwin, Northern Territory of Australia when my love of Samoyeds began. In 1994, my flatmate to be, arrived to rent a room at my home. He came with his dog, a Samoyed called 'Amanda' (Mandy). He told me that he got Mandy from Mrs. Hill in Melbourne.

1996 we rescued another Samoyed 'Angel-Louise', who was the inspiration for my children's books years later in 2010 when I moved to New Zealand. So, my house had two flatmates and two Samoyeds and I.

In 1997 out of the blue I received a phone call from the Darwin City Council dog inspector. He told me that since I had Samoyeds, they needed my help. He told me that he had a beautiful entire male Samoyed that had been rescued several times by the Council. Since the dog had been surrendered, they wanted to know if I'd take the dog.

I got in the car went down to the Council and retrieved the dog. The Council signed over ownership to me and when I arrived home, I rang Mrs. Hill who I knew would help us.

Bourbon 1997

Patches, Bourbon, Angel-Louise, Amanda, Julie 1997

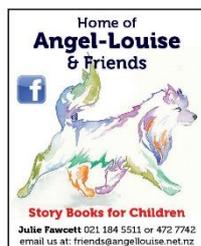

After discussions with Mrs. Hill, it turned out that 'Bourbon' was one of her Samoyeds. She wasn't sure how 'Bourbon' had made it to Darwin. Neither was I, as Samoyed owners were rare in Darwin. We again spoke with Mrs Hill and my flatmate and I decided that it would be best for 'Bourbon' if we organised a flight and sent him back to Mrs. Hill in Melbourne. We organised a crate and the airlines came to the party with a free flight for 'Bourbon' to 'go home to his Mum'.

I was told by a friend of mine who worked for the airlines, that 'Bourbon' was a VIP guest all the way home. Mrs. Hill rang us and told us that she'd picked up 'Bourbon' from the airport and that he would see his days out back at her family home, happy with the lady Samoyeds!!

What was so special, 'Bourbon' was Angel-Louise's Dad and Amanda's Uncle, so all had ties back to Mrs. Hill and Mezen Samoyeds in Melbourne.

Nearly 30 years has passed since I was first introduced to the wonderful Samoyed breed and today, I'm blessed with my 4th Samoyed, beautiful 'Mia' thanks to Carol Fleming.

### Addendum

Finally, after almost 30 years, I after lots of phone calls back and forth and four Samoyeds later, I get to meet Mrs. Helen Hill. Today we shared a coffee, photos, history and lots of laughs. The circle has now closed. Wonderful to meet her and her husband.

## Judge: Helen Hill, Mezen Samoyeds, Australia

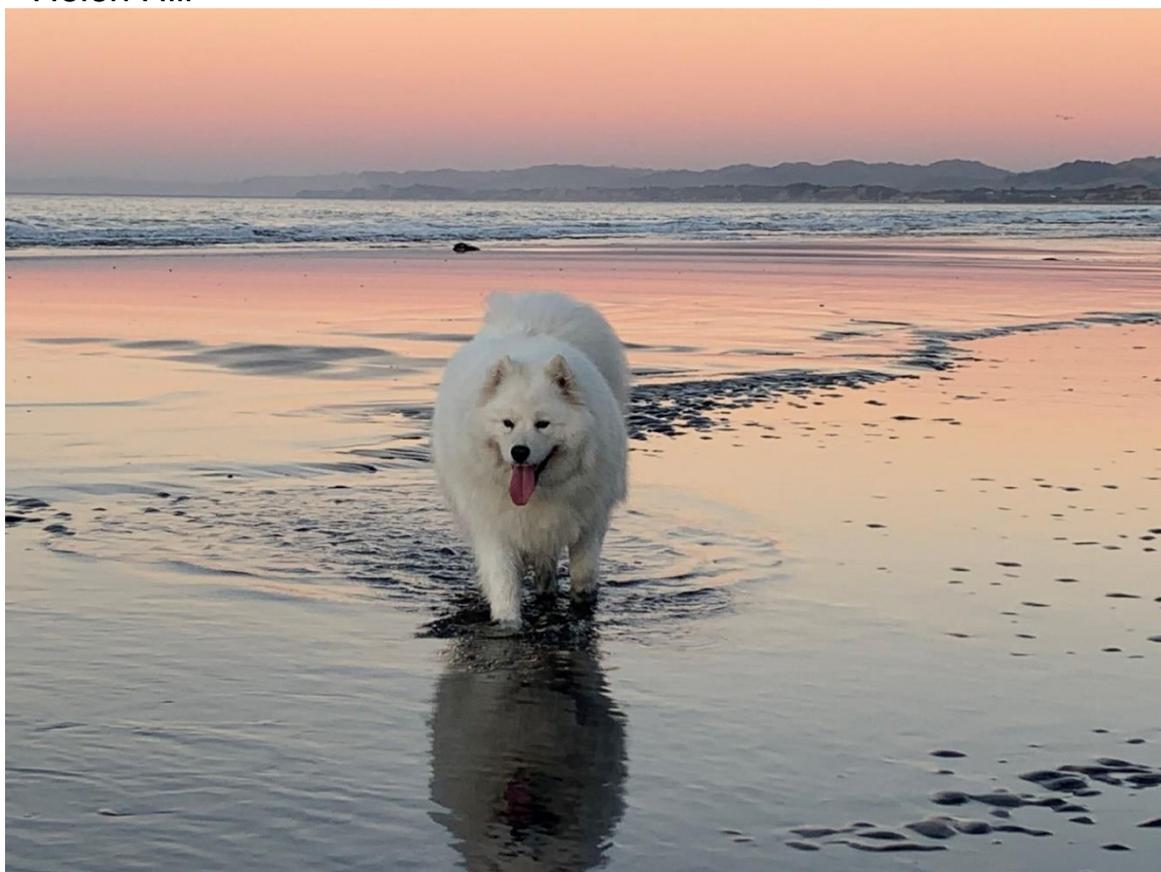

My first Samoyed came to me when the circumstances of his first home changed. I eventually also got his paperwork and when I found the Samoyed Club of Victoria became a member and eventually entered the show ring. This dog was Ch kalina Imperial Luna and although headstrong and a handful for a novice exhibitor he had some very good wins in the showring. We were fortunate when Jane Sydenham-Clarke offered to handle him for us. He won many groups and Best in Show. Two bitches followed. Ch Ladara Fair Zaminka and Ch kalina Fair Zala, both

daughters of Fairvilla Tsarovitch (Imp UK) I bred my first litter in 1979. I took up judging as I felt it was a good way to learn about dogs in general and get a better understanding of my own breed. I have been fortunate to have judged Samoyeds around Australia, New Zealand , The UK and at the World Samoyed Meeting in Slovakia in 2022.

The showring was always secondary for us. My main focus was on learning about the breed, pedigrees and how that would play out in the whelping box. We imported Ch Ice River Mezen Yoshi and Us from Slovakia in partnership with Tiffany Evans and I believe was an asset to the breed. I am proud that dogs of our breeding have been successful in the lines of fellow breeders We currently have a young boy imported from the UK and although we breed and show sparingly he is also producing nicely

### tydee TANGLESS

No one likes a coat that is full of knots, snarls and tangles. Getting dry neglected coats back into show condition used to be a nightmare for both animal and groomer. Now there is Tydee Tangless, a totally organic formula that softens, conditions and lubricates (but is 100% oil free) all at the same time. It has lanolin to add lustre and shine and other ingredients to discourage tangles from reforming. Tangless can be used on dry coats or as an after shampoo conditioner, but all shampoo must be rinsed from the coat first. You and your dog will enjoy grooming with Tydee Tangless because it saves time and effort. Tydee Tangless has a creamy smooth texture and is packed in an easy to hold 340 ml bottle with reliable pump sprays.

### DAZZLE DOG tydee SHAMPOO

Nothing looks worse than a white coated dog that is dirty or has a yellow tinge.

That is why we have developed Dazzle Dog, a rich pearlescent shampoo that not only conditions but also contains a revolutionary optical whitener to give animals an outstanding appearance.

It is *not* a bleach and it will not harm the coat or make it brittle and it is not a blue rinse, the old fashioned way of treated off-white coats.

Dazzle Dog is safe to use pets of all ages.

Just try it and you will see the difference.
